Original BMW Group Accessories. Extendible ski and snowboard carrier.

NEWS:

- New product

Product description

The extendible ski and snowboard carrier securely accommodates up to 5 pairs of skis or 4 snowboards. The new extendibility technology makes loading it significantly easier, particularly with taller vehicles.

The ski and snowboard carrier fits all original BMW Group roof racks.

Sales features / benefits

- **New technology:** Extendible on the side for **easier** loading.
- **Appealing** design with BMW or MINI branding.
- Meets **high** BMW Group safety standards.
- **Easy** fitting and handling.
- **Suitable** for transporting up to 5 alpine or cross-country skis or 4 snowboards. **Also** suitable for transporting ski poles.
- Integrated locking system **prevents theft**.

Promotion

- Presentation on a showroom vehicle.
- The key feature, its extendibility, can be particularly well-presented on taller vehicles.

Cross selling

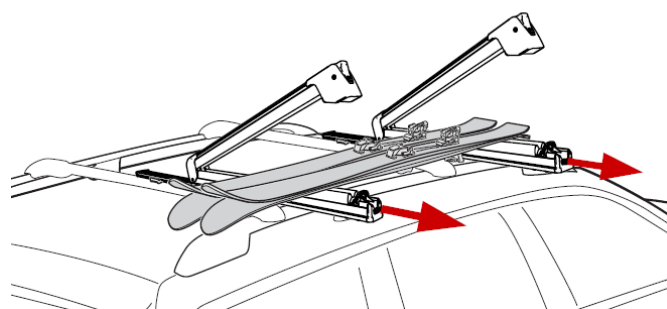

- Roof box

Package

- 2 extendible ski and snowboard carriers
- 2 keys
- Attachment material for installing the carrier on the roof rack
- Installation information

Technical data

- Weight (for both carriers): Approx. 5 kg
- Width of ski storage surface: Approx. 62 cm

Extendible ski and snowboard carrier

Additional parts required

- BMW Group roof rack

Note:

The permitted weight (base support + ski and snowboard carrier + cargo load = roof load) must not be exceeded. The maximum roof load can be found in the BMW owner's manual for the car. ◀

Safety information:

In order to avoid personal injury or property damage, the ski and extendible snowboard carrier must be used only in combination with the roof racks approved by the BMW Group. ◀

Installation time

This item is installed by the customer.

Installation time: approx. 10 minutes for first fitting. Subsequent installations require less than 5 minutes.
